CUSTOMER GUIDEBOOK

Wondering how to start purchasing aggregate?

This guide will help you through the entire process, from planning your purchase to picking up your materials.

Understand Your Needs

1

Identify the Type of Aggregate

- **Gravel:** Great for driveways, pathways, and drainage.
- **Crushed Stone:** Ideal for construction projects such as foundations and roads.
- **Sand:** Perfect for concrete, mortar, and landscaping.

2

Determine the Quantity

- Consult your contractor to estimate your needs.
- Aggregate is sold by weight, in **Metric Tons**.

3

Know the Location

Different materials are available at specific quarries:

- **Limestone Division:** Limestone products. | **Verdant Vale, Blanchisseuse Road, Blanchisseuse.**
- **Sand & Gravel Division:** Sand, gravel, and related materials. | **Turure Road, Guaico, Sangre Grande**

Plan For **Transportation**

1

Choose a Vehicle

- **Pickup Trucks:** For small to medium loads (**up to 2 tons**).
- **Dump Trucks or Trailers:** For larger orders.

2

Hire a Hauling Service (Optional)

- Consider a professional hauling service for large or recurring orders.

Request a **Quotation** **(Optional)**

If you are purchasing a large quantity of aggregate or require a detailed breakdown for business purposes, you may request a quotation at sales@nqcl.co.tt

1

Contact Us for a Quote

- Provide details about the type of aggregate, estimated quantity, and any project-specific needs.
- Include your company information and contact person.

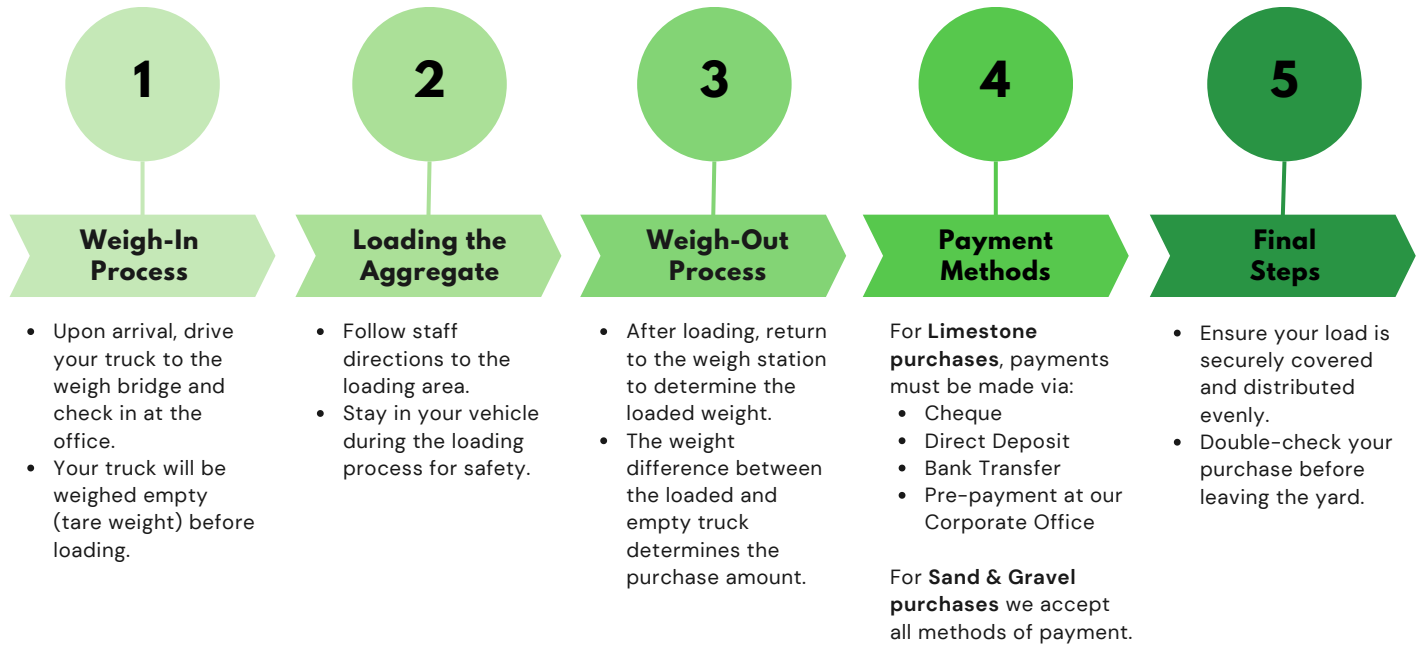

2

Receive Your Quotation

- Our team will calculate your quotation based on the current pricing and the expected order volume.
- Quotes are valid for 30 days upon date of receipt.

All sales are on a first-come, first-serve basis; we do not reserve aggregate. Ensure timely pickup after receiving your quotation.

Pick Up Your **Material**

Tips for **Success**

		
<p>Arrive Early</p> <p>As we operate on a first-come, first-serve basis, early arrival helps secure your required material.</p>	<p>Inspect Your Order</p> <p>Verify the type and quantity before leaving the yard.</p>	<p>Plan Ahead</p> <p>Call us for real-time availability, especially during peak hours.</p>
